- Students contact my district office to request an application.
- Applications are due on **Friday, November 20, 2015** in my district office.
- Once completed applications are received, students receive a letter notifying them of their interview slot with the Nomination Selection Committee.
- Student interviews with the Nomination Selection Committee will be held in **December** at my district office. After completion, the committee submits their recommendations for nominations to me.
- Students receive a letter notifying them of whether they are receiving a nomination in late December.
- Nominations are submitted by my office to the respective academies by the January 31, 2016 deadline. Once nominations are submitted, it is up to the respective Academies to offer an appointment.
- Students who are offered an appointment by the Academies are notified sometime in February, March, or April of 2016.
- May 1, 2016 is the deadline for students who have been offered to accept their appointment.
- Appointees enter their respective Academies at the end of June 2016.
