Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for P521 Fire/Emergency Response Station (53 Area) Replacement, MCB Camp Pendleton, CA in fiscal year 2024. The entity to receive funding for this project is the United States Marine Corps, located at 3000 Marine Corps Pentagon, Washington, DC 20350-3000. The funding would be used to construct a fire emergency response station in the 53 Area of Marine Corps Base (MCB) Camp Pendleton. The project is an appropriate use of taxpayer funds because it would provide a facility that meets current design and seismic standards, thereby enabling firefighters to effectively and efficiently protect lives and property at MCB Camp Pendleton.

The project has a Federal nexus because the funding provided is for purposes authorized by 10 U.S.C. Chapter 169 and requested to be authorized in the fiscal year 2024 National Defense Authorization Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
