Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for I-5 Managed Lanes Segment 5 (South Bound), Oceanside, California, CA-49 in fiscal year 2024. The entity to receive funding for this project is the California Department of Transportation, located at 4050 Taylor Street, San Diego, CA 92110. The funding would be used to add nearly three miles of managed lanes on I-5 between State Route 78 and Harbor Drive in the southbound direction. The project is an appropriate use of taxpayer funds because it will reduce travel times by approximately 50% versus general use lanes while also promoting improved flow for the movement of interstate and international goods and services.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
