U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for North Coast Highway 101 Drainage Improvements, Encinitas, CA in fiscal year 2026.

The entity to receive funding for this project is the City of Encinitas, located at 505 South Vulcan Avenue, Encinitas, CA 92024. The funding would be used to fund construction of a 60-inch storm drain under North Coast Highway 101 to alleviate historic flooding in the Encinitas community of Leucadia.

The project is an appropriate use of taxpayer funds because it would ensure the corridor is safe for drivers, pedestrians, and cyclists during the rain and will help alleviate flooding of businesses and residences.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin". The signature is fluid and cursive, with a prominent "M" and "L".
