Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Buccaneer Park Rehabilitation Project in fiscal year 2027.

The entity to receive funding for this project is the City of Oceanside, located at 300 N. Coast Highway, Oceanside, CA 92054. The funding would be used to upgrade critical public recreational infrastructure, including construction of new public restrooms, rehabilitation of playground equipment and recreational facilities, and improvements to park pathways and parking areas.

The project is an appropriate use of taxpayer funds because it will modernize a publicly owned multipurpose community facility in a low- to moderate-income neighborhood that provides recreational space, community gathering areas, and essential infrastructure for residents and visitors.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin". The signature is fluid and cursive, with a long horizontal stroke at the end.
