Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Carlsbad Sage Creek High School Safe Routes to School Project in fiscal year 2027.

The entity to receive funding for this project is City of Carlsbad, located at 1635 Faraday Ave, Carlsbad, CA 92008. The funding would be used to provide critical traffic safety and mobility improvements along a high-speed arterial, including a new Class I shared-use bike and pedestrian path, signal timing modifications, curb ramp enhancements, and a high-visibility crosswalk to Sage Creek High School and other schools in the area, including Calavera Hills Elementary School, Calavera Hills Middle School, and Hope Elementary School.

The project is an appropriate use of taxpayer funds because it would improve safe access to school for thousands of students, support reliable and sustainable transportation infrastructure, and reduce vehicle congestion during school commute periods.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
