Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Stonehill Drive Utility Undergrounding Preliminary Construction and Trenching Project in fiscal year 2027.

The entity to receive funding for this project is City of Dana Point, located at 3382 Golden Lantern Suite 212, Dana Point, CA 92629. The funding would be used to convert overhead utilities to underground utilities by digging the trenches in which to lay the underground utility lines, installing and connecting the utility lines, and backfilling the trench once installation is complete.

The project is an appropriate use of taxpayer funds because it would improve utility service reliability, reduce wildfire risk, and reduce the urban impact on the surrounding natural environment.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
