Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Coastal Recycled Water Expansion Program Del Obispo Recycled Water Project in fiscal year 2023.

The entity to receive funding for this project is South Coast Water District, located at 31592 West Street, Laguna Beach, CA 92651. The Del Obispo Recycled Water Project includes two phases of infrastructure implementation that will install 8,900 linear feet of recycled water pipeline and convert 37 sites from potable to recycled water usage, saving over 35 million gallons of potable water per year.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
