Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Leucadia At-Grade Rail Crossing Project in fiscal year 2027.

The entity to receive funding for this project is the City of Encinitas, located at 505 S Vulcan Ave, Encinitas, CA 92024. The funding would be used to construct two new pedestrian at-grade rail crossings across the LOSSAN Rail Corridor in the north portion of the Leucadia neighborhood in Encinitas.

The project is an appropriate use of taxpayer funds because it advances federal priorities related to improving passenger, freight, and military rail transportation systems with regards to both pedestrian safety and enhanced operational efficiency of the LOSSAN Rail Corridor.

The project has a federal nexus because the funding provided is for purposes authorized by section 22907 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
