Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Bus Shelter Enhancements Project, Laguna Niguel, CA in fiscal year 2025.

The entity to receive funding for this project is the City of Laguna Niguel, located at 30111 Crown Valley Parkway, Laguna Niguel, CA 92677. The funding would be used to upgrade transit shelters to support existing transit usage and attract new users of all ages and abilities.

The project is an appropriate use of taxpayer funds because it would improve public infrastructure, enhance rider experience, encourage new ridership, and facilitate the efficient movement of Orange County residents to employment opportunities and commercial centers.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
