Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the North Coast Highway 101 Beautification: Drainage Construction, Encinitas, CA, in fiscal year 2025.

The entity to receive funding for this project is the City of Encinitas, located at 505 S. Vulcan Avenue, Encinitas, CA 92024. This project would construct a 60-inch storm drain on North Coast Highway 101 to help alleviate historic flooding in the Encinitas community of Leucadia.

This is an appropriate use of taxpayer funds because it will ensure the corridor is safe for drivers, pedestrians, and cyclists during the rain and will help alleviate flooding of businesses and residences.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
