Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for Pier View Bridge, Oceanside, CA in fiscal year 2025.

The entity to receive funding for this project is the City of Oceanside, located at 300 N. Coast Highway, Oceanside, CA. The funding would be used to address the bridge's deteriorating structure, ensure compliance with modern earthquake design requirements, and protect pedestrian and vehicular accessibility traffic.

The project is an appropriate use of taxpayer funds because it would repair the primary entrance and exit to the Oceanside Municipal Pier, secure the bridge for emergency preparedness and response, enhance public safety, mitigate potential hazards, and ensure smoother traffic flow and accessibility for residents, businesses, and visitors.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
