Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for Loma Alta Creek Sewer Relocation, Oceanside, California in fiscal year 2023.

The entity to receive funding for this project is the City of Oceanside, located at 300 N. Coast Highway, Oceanside, CA 92504. This project will relocate a sewer main from a location within a creek bed to a roadway, which will minimize the chance of environmental damage in the event of a Sanitary Sewer Overflow.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
