Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Future Technologies to Upskill Rapidly and Effectively (FuTURE) project in fiscal year 2023.

The entity to receive funding for this project is MiraCosta Community College District, located at 1 Barnard Drive, Oceanside, CA 92056. This program would help the MiraCosta Technology Career Institute to expand and create new accelerated skills-based training programs that use disruptive technology such as virtual and augmented reality, artificial intelligence, robotics, and automation.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
