Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for Mobile Crisis Response Team (MCRT) Enhancement, County of San Diego in fiscal year 2023.

The entity to receive funding for this project is the County of San Diego, located at 1600 Pacific Highway, San Diego, CA 92101. This project would add overnight coverage for four Mobile Crisis Response Teams, seven days per week, for people experiencing a mental health or substance use crisis. The teams travel to the person to provide assessment, crisis intervention services, and connections to treatment and other services, as needed.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
