Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the PCH Bridge Replacement Project in fiscal year 2027.

The entity to receive funding for this project is the Orange County Transportation Authority, located at 550 S. Main Street, Orange, CA 92868. The funding would be used to replace the existing rail bridge spanning Pacific Coast Highway at Milepost 200.2 with a new, single-track, 85-foot-long steel girder bridge.

The project is an appropriate use of taxpayer funds because it would replace aging infrastructure to ensure safe, reliable rail operations and avoid costly service disruptions that threaten public safety, economic mobility, and regional supply chains.

The project has a federal nexus because the funding provided is for purposes authorized by section 22907 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
