Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the SPRINTER Corridor Service Improvement Project, San Diego County, California in fiscal year 2023.

The entity to receive funding for this project is the North County Transit District, located at 810 Mission Avenue, Oceanside, CA 92054. This funding would complete the design of phase two of the project, which will modernize the SPRINTER signals. The broader project seeks to increase the frequency of service from 30-minute headways to 15-minute headways by making improvements to the rail signals and double tracking 9.5 miles along the SPRINTER corridor.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin". The signature is written in a cursive, flowing style.
