Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for State Route 74 (SR-74) Improvements, Orange County, California in fiscal year 2023.

The entity to receive funding for this project is Orange County Transportation Authority, located at 550 S. Main Street, Orange, CA 92868. The SR-74 Gap Closure and Multi Modal project closes a 1.1-mile gap in general purpose lanes and enhances bicycle and pedestrian connectivity on SR-74 (Ortega Highway) in Orange County, in the City of San Juan Capistrano between Calle Entradero and Reata Road. The project will construct one additional lane in each direction and a five- to eight-foot shoulder on each side to accommodate a total of 2.2-miles of Class II bicycle lanes.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
